Kansas Premier Soccer League was originally the premier league run by Heartland Soccer Association. That has since changed and KPSL (Kansas Premier Soccer League) is now one of four soccer clubs that are playing under the “umbrella” of Heartland Soccer Association. The word “League” is still part of the organization's name for

historical reasons. KPSL is considered the home of the independent team or club. The Founding Members of Heartland include:

- Sporting Blue Valley Soccer Club
- Kansas Premier Soccer League
- Northeast United Soccer Club
- Overland Park Soccer Club

The other clubs generally cover 5 geographical areas in Johnson County. They also offer recreational programs within their own organizations. KPSL does not offer a recreational program and exists primarily to accommodate premier (competitive) teams. You must be a member of one of the four clubs to receive discounted membership rates in the Heartland League.
